Generating Bluebook citations with Zotero

To generate Bluebook citations with Zotero, you must first add the Bluebook style to your Zotero library:

1. Open Zotero and click on the gear icon (top left corner).
2. Select Preferences.
3. Select Cite, located at the top of the Zotero preferences window.
4. Click on the Styles tab.
5. Click on the link to Get Additional Styles.
7. Return to the Zotero preferences window. You should now see Bluebook Law Review listed in the Style Manager.

Now make Bluebook your default style:

1. Open Zotero and click on the gear icon.
2. Select Preferences.
3. Select Export, located at the top of the Zotero preferences window.
5. You may now exit the Zotero preferences window.

Zotero will now automatically use the Bluebook format when generating citations.
