

Download ChemDraw 17 Prime for University of Chicago Users – Academic Year 2017-2018

For any questions about this download procedure, please contact Andrea Twiss-Brooks, atbrooks@uchicago.edu, 773-702-8777

Download link:

<http://gallery.cambridgesoft.com/register.html?FlexeraAccountId=3670SL>

This will take you to the [Welcome to User Registration](#) page. If you already have a Perkin Elmer account, click [Existing user? Sign in](#) tab. Even if you can't remember your password, you can provide your email address (@uchicago.edu) and then click on the Password Finder link to reset your password.

If this is the first time you have downloaded ChemDraw at the University of Chicago, complete the [New User Registration](#) using your University of Chicago email (@uchicago.edu) and follow the instructions in the confirmation email you receive.

You then need to log into the PerkinElmer account you created, where you should see the following [Product Information](#) screen:

Product Information

ChemDraw Prime

To find your activation code, please click on order history tab on left navigation pane then click on applicable order # and scroll down to the activation code on right side.

Note, this code will activate both WIN & MAC platforms.

Select a version.

Latest Version

Prior Versions

Version	Description
17.0	ChemDraw Prime

Click on ChemDraw Prime and you will see links to download. Click the link and download either the Mac or Windows version and run to install. You will also need an activation code for the installation.

	File Description	File Size	File Name
<input type="checkbox"/>	+		
<input type="checkbox"/>	ChemDraw Prime - MAC	42 MB	cdpm170.dmg
<input type="checkbox"/>	ChemDraw Prime - WIN	154.4 MB	cdpm17.0.exe

To find your activation code, click on **Order History** in the left hand menu under **Software & Services** and then on the **Site License** link. Scroll down a bit and you'll see the **Activation Code** listed. This should work with either Mac or Windows installs.
